## **UUFG Office Notes**

#### **Insurance**

Our Liberty Mutual policy was renewed, though our premium has gone up to \$19487.78 for the insured period of August 15, 2024 through August 14, 2025...

## **Burglaries**

In the last two months we've had three burglaries of our shed:

- May 22: lawn mower shed burglary reported to GPD.
- Tuesday, June 18: burglary of the shed behind the sanctuary reported.
- Tuesday, July 16: second burglary of the lawnmower shed reported. The thief or thieves pulled open a window and disassembled the locking fixture on our door from the backside. Many of the items stolen were replacements that Marilyn Roberts had purchased stemming from the first break in. However, the thief also took a power washer and the battery from the Kubota. I took a rear wheel off of the Kubota to make it harder for someone to steal in case the thief comes back again.

### **Safety Committee & Video Cameras**

On May 20, a team including Jowe, David Willkomm, Jonathan Coron and Tom Bullock installed the five cameras around the Fellowship. Unfortunately, the camera on the lawn shed side of our building is incapable of recording activity near the shed. I have ordered two "trail cameras" that we will install overlooking the lawn shed. We will also be ordering more signs and other security related items. However, we may wish to assess our current approach to video security. We can have ten total cameras on our new Blink account, but my impression is that insufficient or inconsistent wi-fi bandwidth at the cameras may limit their effectiveness as may their limited range of sensitivity.

## Rev. JeKaren Olaoya

In July I helped provide an orientation to Rev. JeKaren with Mary Anthony and Leah Cobb Lee. I spent time cleaning and arranging her office and continue working to support her "onboarding" process here at UUFG.

## **Mailings & Communications**

I continue to send the link to monthly Touchstone Journals via MailChimp with some hard copies mailed to a few members who requested that service. August will be our final Touchstone mailing as that service is ending. Our Worship Team is reviewing use of our old Touchstone themes and considering purchasing themes from years prior to 2019. Also as usual, I sent out anniversary letters in June to all members who have joined the Fellowship in any given month as well as creating weekly Gazettes.

The board may consider whether it wishes to continue sending out these letters. If so, then the board will need to approve a new letter.

### **Finance**

I participated in monthly Finance Committee meetings, preparing financial reports for their review.

### **Front Sign**

I have been changing messages on the front sign to reflect upcoming service titles or speakers.

#### Rentals

Our main renters are Gainesville Bridge Club and Joy of the Lord Outreach Ministries. In July we also host Life Line Screenings and an Eager Pup scent training workshop.

Attachment 1 Page 5 of 5

## **Personal Time**

I am planning to travel to Charlotte, NC, to visit my son from Thursday, July 18 through Monday, July 22. I will also be out of the office on Thursday afternoon, August 8 and Friday, August 9.

# Governance Review Working Group

July Board Meeting:

- 1. Third Reading (VOTE): Revision on GOV-1: Policy on Policies and Procedures. Addition from first reading to incorporate governing authority from GOV-14.
- Second Reading: Revision on GOV-2: Governing Board.
   This policy now incorporates GOV-8: Emergency Powers and GOV-10: Open and Closed Meetings
- 3. Second Reading: Revision on GOV-3: Charters (now Committees and Working Groups).

  This policy was revised to describe these two bodies with the information about charters being in the Procedure section, which is in line with the revised GOV-1. It also formalizes working groups for the Board. Governing authority from GOV-14 is incorporated.
- 4. **Second Reading: Removal of GOV-8: Emergency Powers.**The content of this policy is proposed to be incorporated into GOV-2 as a procedure, in line with the revised GOV-1.
- 5. Second Reading: Removal of GOV-9: Name by Which the Unitarian Universalist Fellowship Is Known.

The content of this policy was recently added to the Bylaws by congregational vote (5/5/2024) in Article I.

- Second Reading: Removal of GOV-10: Open and Closed Meetings.
   The content of this policy is proposed to be incorporated into GOV-2 partially as a policy and partially as procedures, in line with the revised GOV-1
- 7. Second Reading: Removal of GOV-13: Election Tie Breaking.
  - This policy is redundant since the Bylaws (Article IV, Section 4.2) states that "The current edition of Robert's Rules of Order governs for questions not addressed herein." In *Robert's Rules of Order Newly Revised 12th Edition* (2020), Chapter 44 addresses voting. The Majority Vote is defined as meaning "more than half," such that if 20 votes are cast, a majority would require 11 affirmative votes. This suggests that votes will not result in ties. Chapter 46 addresses elections, including when there is more than one candidate for a position and how voting shall occur (if by voice [46:37], the LDC-nominated candidate gets voted on and only if that vote fails does the floor-nominated candidate get voted on; ballot voting is described before that [46:32-34], with repeated balloting until a majority is the result).
- 8. First Reading: GOV–4 Members and Supporting Friends

#### **GOV-1 POLICY ON POLICIES AND PROCEDURES**

Annual Review: Governing Board Initial Approval: 9 August 2005

Latest Revision: 11 May 2024, 1st approval by the Board

### **Purpose**

This policy defines the meaning and intent of policies and procedures and how they are proposed, reviewed, approved, and modified.

### **Policy**

All business of the Fellowship shall be conducted according to the policies and procedures in this manual. A policy is a general statement of principle consistent with the mission and vision of the Fellowship intended to guide decisions and actions of the Governing Board, committees, working groups, and individual members. A procedure is a method, set of steps, or detailed description of means intended to implement or carry out a policy, wholly or partly.

#### **Procedures**

1. Policy statements must include the following:

**Purpose**: A statement of the purpose for the policy

**Policy**: A statement of the policy

**Procedures**: Statements of how to implement or carry out a policy, wholly or partly.

- 2. For each policy, a procedure must specify who conducts the annual review of the policy. Candidates are the Governing Board, Fellowship Council, or a specific Committee. The designated body is then responsible for reviewing the policy each year to ensure that the policy is accurate.
- 3. One of the Board Trustees will be appointed by the President as the Policy and Procedures Coordinator (PPC). The role of the PPC is to ensure that all procedures are followed and to work with the Board Secretary to maintain the Policies and Procedures Manual.
- 4. New policies and procedures: Any member or committee of the congregation may propose a new policy or procedure. A proposed policy or procedure shall have a style and format consistent with existing content in the Policies and Procedures Manual. Individuals proposing a policy or procedure shall have approval of the appropriate committee, if there is one, before bringing the proposed policy or procedure to the Governing Board.

The proposer will inform the PPC that a draft of a policy or procedure is ready for consideration. The PPC leads a Governing Board discussion of all active proposals, receives comments from members, and requests a vote on all proposals that have reached the voting stage. The Governing Board will note in the minutes that a proposal is under consideration and will provide a copy of the proposal to all interested members of the congregation.

To ensure adequate discussion regarding the meaning and significance of a new policy or procedure, the approval process requires discussion at two Governing Board meetings. Then

Attachment 4 Page 3 of 11

the proposed policy or procedure may be included on the consent agenda for the next (third) meeting and will be approved if there is no objection. Once the Governing Board has approved the new policy or procedure as part of the consent agenda, the policy or procedure takes effect immediately.

- 5. Revisions to and/or removal of policies or procedures: A proposed change to an approved policy or procedure that is determined to be "minor" by a majority of Governing Board members at the meeting where the change is introduced, may be approved by the Governing Board at that same meeting. Substantive, non-minor changes, including policy removal, must follow the process defined in Procedure 4 above.
- 6. In case of conflict between Policies and Procedures and the Bylaws as approved by the congregation, the Bylaws take precedence.
